Gealey,

I am so proud of you. Proud of how you have been handling the past few years. The silent battles you have fought, how you humbled yourself and wiped your own tears. Proud that you keep showing up, every single day. Proud of all the tough decisions you had to make and that you stood your ground when no one knew your troubles. I am proud that you never gave up on yourself and that you keep fighting for everything you want and love. I am proud that you wake up every day and find a way to smile and keep pushing through. Keep believing in yourself and fighting for what you believe in. You have been an inspiration to me and I pray your senior year is the best one yet. Remember to always

Dear 2021-2022 Silverados,

I am so proud of you! This group has proved that teamwork really does make the dream work. We were so successful in so many ways this year. Even more, we've smiled, joked, laughed, and had FUN. Just a few memories we cannot forget- football season, bringing back Sister Kick with the Flairs and dancing Bob & Sue on the field, being awarded Best Dance Group in the League City Holiday Parade, winning Best of the Best Overall Team and Officers at ADTS Galveston, and an exciting Nationals trip to San Marcos complete with parking lot practice and Six Flags. I hope you cherish the memories we've made this year and keep moving forward knowing you can achieve anything you work hard for. It has been a joy to watch y'all push yourselves to be the best you can be and put out spectacular performances time and time and time again. You've really come together to lift each other up and to help each other rise to each occasion. We've dreamt big, worked hard, and made

it happen. I couldn't be more thankful for you trusting in the process and always giving it your all. I hope you that no matter your next passion in life or your path for the future, you remember to always "Do What You Love". Congratulations on an amazing year! All my love to you, Silvie!

To the Officers - The amount of talent on this officer line is unreal, and I have LOVED watching you dance together this year. You were a joy to work with, and you made everything a lot easier.
