Dear 2022-2023 Silverados,

It is difficult to put into words how much I have enjoyed this year. I always say time flies when you're having fun and wow, has this year really flown by. From a spectacular football season with bonus playoff games, to the best most magical Disney trip ever, to the sweetest contest season and all the amazing performances, I have so enjoyed being with you all as this team. There has been so much growth and so many memories made together this year. We were able to show others how truly exceptional the Sterling Standard of Clear Springs High School is. You showed that being yourself, being honest, and being kind are the keys to success. You worked really hard and never ever gave up on each other. I am so proud of you. We definitely know that life is sweeter as a Silverado. All my love to you, Silvies!

To the Officers – I simply could not have done this year without y'all. You guys helped me through every season, supporting all my ideas and helping to make every experience meaningful and every performance perfect. You led your team with determination, confidence, and grace. Your hard work and dedication were noticed by all. You were always up for any challenge and rose to every occasion. The teamwork and trust you had in each other was refreshing and pushed the team to do the same. I have really enjoyed getting to know you and joke with y'all. I will cherish our memories together. Love you O's!

To the Social Committee – You 7 are really something extraordinary and an amazing 1st Silvie SoCo for me to lead. I loved our clubhouse meetings and all the fun we had from camp and all throughout the year especially with our SoCo dance. Our sometimes frequent side-track moments were silly and sweet. I am thankful for your patience with me and kindness with each other this year. It was a joy to see you work together to bring new ideas to life and bring so much motivation, encouragement, and love to this team. You really took this year's theme and ran with it and gave us the most unbelievably adorable back wall decorations. Getting to know you guys and making those special bonds with y'all has been such a pleasure! Thank you!

To the Seniors – You guys are truly the SWEETEST! I knew from our T Bar M river trip that y'all would be one of the most special groups of seniors I would have the pleasure to teach. So many different personalities and beautifully unique ways to make this team such an amazing thing to be a part of. You each gave everything you had and left a legacy for your younger teammates. Your perseverance, positivity, and passion will always be remembered. Best of luck in your last Spring Showcase! <3 Juniors – Your love for the team has shone bright this year and I have loved watching you grow into very strong young ladies. Sophomores – You all bring such a great energy to the team, and I am grateful for your work ethic. Freshmen – I am so glad y'all are a part of our team now and I love how sweet y'all are. Congrats on your first Spring Showcase!

To the Silverado Parents – You all are just as amazing as your kids. Thank you for being so supportive of us as an organization. Y'all showed our girls what it looks like to be excited about things that we are so lucky to get the chance to do and how important it is to cheer everyone on. So many times this year, our Silvie parents showed great teamwork and flexibility. I will not forget this year and the things y'all helped with to make it so great! You have been endlessly supportive of me as director this year and I could not be more thankful. Special thanks to my Disney Trip crew- for riding rides with me and hanging out and eating the best Cobb salad with me. I had a blast with y'all and will never forget the memories!

To My Dearest Friends – I could not have made it here without you. Y'all are my sounding board, my shoulders to lean on, and my comic relief. You mean the world to me, and I appreciate each of you. I am forever grateful for our continuous messages on all the platforms at the same time.

To my Andy – You are every perfect thing and more. You are creative and smart and help me realize my goals and dreams. You continue to be the best announcer the Silverados could ever have, and the absolute best dog dad. Quick shout-out to my angel babies at home, Jacks and Wyatt.

To our Silverado Fans – Thank you for being here and for your constant support. We love to put on a show like this for you where love and happiness fills this auditorium. Enjoy the show- you are in for a real treat!

Love, Mrs. Collins

I AM SUPER PROUD OF YOU FOR TOUGHING IT OUT DAY AFTER DAY, AND PUSHING THROUGH WHEN YOU FELT YOU JUST COULDN'T TAKE IT ANYMORE. ALTHOUGH I AM DREADING YOU LEAVING FOR COLLEGE, I LOOK FORWARD TO ALL THE GREAT THINGS THE LORD HAS IN STORE FOR YOU AND KNOW YOU WILL JUST KEEP BLOSSOMING IN THIS NEXT CHAPTER OF YOUR LIFE. "The Sisters"
We have loved watching you both
dance and grow
throughout the
years. You are
amazing young
women!

Love -
Gamma and Papa

Taylor-
You were my little dance star at 3, and now you are my
big dance star at 18. What an amazing journey that I am
proud to be a part of with you! With love- your Nana

Haley! I cannot begin to describe how proud I am for how you have grown to be such a genuine and loving person and a beautiful dancer. I am moved to tears each time I watch you dance. I have loved getting to dance with you this year as the most iconic Silvie Sister Duo. You may drive me crazy but I love you more than words could ever explain.

Love, Your Big Sister (Natalie)

Dear Nat, you don't even know how grateful I am for you. You're the best sister I could ever ask for. I love you so much and I'm so glad we got to spend this year on the team together. I can't wait to watch you on your journey as an adult. It makes me so happy thinking about all our childhood memories together and our bond is like no other. I'll always be here for you no matter what!

I love you - Haley

Dear Cami,

Words can't describe how much you mean to me! Thank you for being such an amazing friend as we've gone through high school together. I can't wait for the many more memories we'll make as we move forward!

♥ Addison

To Addison, Three months ago I thought I'd have to make the toughest goodbye of my life to you, but it turns out I get you for the next four years and I couldn't be more excited for this new chapter of our lives! The past three years with you have been an absolute blast and I'm so glad I got to experience all of my "lasts" with you by my side. Thank you for all of the unforgettable high school memories. Here's to the next four years! I love you beyond words. -Cam

To Ava, Jess, Riley, & Vicky, This moment came way too fast. Y'all have been by my side since the beginning and I can't believe that it's finally time that I have to leave y'all. Thank you for all of the laughs, cries, and food runs. Each one of y'all left a major impact on my life that I'll forever cherish. Y'all never gave up on me when I gave up on myself and constantly pushed me to be the best person I could be. I can't wait to see all of the amazing things y'all do next year. I'm so incredibly proud of each of y'all. Please don't take a single moment for granted with the time y'all have left with each other. With that being said, always remember that I'm one phone call away whenever you need me. I love y'all so so so much!! Now, let's go recreate the iconic pose one last time! -Cam

Dear Katherine,
Enjoy your last dance and your next adventure that awaits!

Love, Lacy and Shannon

Oh my sweet little Cealey Lysanne

Look how far you have gone!

It seems like it was just other day

You couldn't wait for daddy to come home and play.

From the first time you took the floor to dance, leap and twirl,

You made me so very proud to say, that is MY baby girl!

Yet in the blink of an eye you went from laughing, crawling and making your crib a mess

To being this beautiful young lady in your gorgeous dress

Through the tough times and the pain most would have said no more,

Instead you said hold my Starbuck's it's time for me to take the floor.

Over the years we have made so many memories that I will never forget.

You've made the hundreds of hours in the bleachers something I'll never regret.

So now as you take this final curtain call,

I know you have always given it your all.

But my how fast the time has flown, it makes me want to cry,

Because in my heart I know someday soon we will have to say goodbye.

Now as you choreograph your next dance in life, set your goals high and to yourself stay true

For in this world I know there is nothing you cannot do.

But no matter how far you may have gone,

You will always be my sweet little Cealey Lysanne!

I Love You Princess!

Paris, Allie, Cealey, and Reagan,

IT HAS BEEN AMAZING WATCHING YOU LADIES GROW AND DANCE TOGETHER. WE ARE PROUD OF YOU AND WILL MISS SEEING YOU SHINE BRIGHT ON THE DANCE FLOOR. AS YOU MOVE ON TO THE NEXT CHAPTER IN YOUR LIVES, WE PRAY THAT YOU WILL ALWAYS TREASURE YOUR FRIENDSHIPS WITH ONE ANOTHER. EVEN IF LIFE TAKES YOU IN DIFFERENT DIRECTIONS. WE CAN'T WAIT TO SEE WHAT INCREDIBLE THINGS YOU DO NEXT. WE KNOW THAT GOD AND YOUR GUARDIAN ANGELS WILL FOREVER WATCH OVER YOUR PRECIOUS LIVES.

We love you tons!

To All of Our Silvies,

It has been an honor to be a supporter and sponsor of the Silverado's for so many years. Watching you awesome ladies as you take the floor and dance your hearts out has been amazing. Your beauty and skills are second to none. The possibilities for this team are endless with all of you working together. We can't wait to see you take the floor again.

To Mrs. Collins,

We will never be able to thank you enough for all of the time, hard work, dedication, and love you have poured into all of these wonderful girls. Your hand in helping us raise these girls has been invaluable to say the very least. The lessons you have taught them go far beyond the dance floor and will help shape them into amazing women as they move on with their education and life. Thank You!!!!

To The Parents,

Thank all of you so much for all of the good times, laughs and memories that will last us a lifetime. It has been great getting to know all of you! We couldn't ask for a better group to work with or spend hours hanging out in an auditorium with. They have always said if you want to know how people really are just look at their kids and with this wonderful group, that says it all! We know without a doubt the future support of this team is in great hands!

To Our Seniors,

WOW! Where has the time gone? It has been so wonderful watching all of you smart, beautiful, and talented girls grow into the beautiful and amazing young ladies that stand before us today. Please, always remember the lessons you have learned in dance; the team work, perseverance, staying humble, attention to detail, hard work and motivation. Those skills will carry you through the rest of your life with a huge edge over everyone else. Even if tonight is your final curtain call, remember it is not the end, but the beginning of a brand-new chapter. A chapter about a dance called your life that is yours to choreograph any way you like. So, as you take your next step on the dance floor of life, the possibilities are endless and remember we will never forget you! You got this!!! Ladies, your music is on!!!

Thanks for all of the memories,

Your friends and family at QCIL (The Scheulers)
